MEMORANDUM FOR: Director of Intelligence, GS/USA
Director of Naval Intelligence, USN
Director of Intelligence, USAF

FROM : Director of Central Intelligence

SUBJECT : Briefing of Service Attaches

1. It was originally intended to submit for your consideration the draft of a proposed DCID on this subject. However, after discussing this matter with the IAC Standing Committee, CIA agrees that a DCID is not the proper vehicle for such a procedural agreement.

2. However, to prevent future misunderstandings, it seems essential that some sort of formal agreement be reached with you in this matter. It is therefore proposed that an "IAC Operating Procedure" be issued in the new series, covering the important aspects of this subject.

3. The attached draft of such a paper is transmitted herewith for your concurrence and/or comment.

R. H. HILLENKOTTER

Attachment: Draft of proposed Operating Procedure.
